Such posting and publication to be completed at least 10 days prior to the date of hearing, pursuant to Section 5838 of the California Streets and Highways Code.

AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

- Instruct the Executive Officer of the Board to file copies of the Resolution Ordering Annexation and the Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues with the County Assessor, Ownership Services Section; and Auditor-Controller, Tax Section.
- 7. Make a finding terminating the annexation, levying of assessments, and property tax transfer proceedings if the proposed annexation and levying of assessments have been rejected as a result of a majority protest, and refer the matter back to Public Works.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

These recommended actions are for your Board to annex the territory known as Petition No. 161-1103 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and levying assessments for Fiscal Year 2007-08 on the benefitted properties within the annexed territory for street lighting purposes.

It is also necessary for your Board to approve the enclosed Joint Resolution pursuant to Section 99.01 of the Revenue and Taxation Code in order to proceed with the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone. The respective governing bodies of the other affected taxing entities have also adopted the Joint Resolution.

Your Board previously approved and filed Petition No. 161-1103, and adopted a Resolution Initiating Proceedings to annex the territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and ordered Public Works to prepare and file an Engineer's Report for the Petition area.

Implementation of Strategic Plan Goals

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility, as the annexation, levying of assessments, and property tax transfers will provide the funding necessary for the operation and maintenance of new street lighting facilities within the annexed territory.

FISCAL IMPACT/FINANCING

Sufficient funds are included in the Fiscal Year 2006-07 budget for County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone to fund the estimated annual cost of \$1,017 for operation and maintenance of the seven street lights on wood poles proposed within the petition area should operating, maintenance, and energy charges be incurred prior to the end of Fiscal Year 2006-07.

In Fiscal Year 2007-08, the ongoing operation and maintenance costs of the street lights within this annexed territory will be funded by a portion of the Lighting District's share of ad valorem property taxes, supplemented by assessments annually approved by your Board. The annexation will result in a minimal property tax growth transfer from the affected taxing entities including the County General Fund, County Library, Road District No. 1, County Fire Department, and the Los Angeles County Flood Control District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The enclosed Resolution of Intention must be adopted to set a date for the required public hearing. Your Board, at the close of the public hearing, may delay its determination regarding the annexation and levying of assessments until a later date, continue the public hearing to receive further testimony, or make a determination regarding the annexation and assessments.

Under Proposition 218 (California Constitution, Article XIIID), it is necessary to follow the procedures for levying of assessments previously authorized by your Board, including the sending, receipt, and tabulation of ballots. The assessment will only be levied if the weighted majority of the ballots returned are in favor of the assessment.

Affected agencies must approve and accept the exchange of property tax revenues pursuant to Section 99.01 of the Revenue and Taxation Code by Resolution. For those agencies under the Board's jurisdiction, the Board can act on their behalf. For those agencies with their own governing boards who fail to adopt a Resolution providing for the exchange of property tax revenues, your Board can approve the exchange of property tax revenue for that agency. The Joint Resolution Approving and Accepting the Negotiated Exchange of Property Tax Revenues approved by nonexempt taxing agencies are enclosed for your consideration.

A legal description and diagram identifying the boundary of the proposed annexation area have been reviewed and approved by Public Works and the County Assessor in accordance with the requirements of Section 58850 et seq. of the Government Code and are on file with Public Works. A copy of a diagram showing the boundary of the proposed annexation area is attached to the enclosed Engineer's Report prepared for the Petitioned area.

Following your Board's approval of the annexation, levying of assessments, and exchange of property tax revenues, Public Works will file with the State Board of Equalization the statement of boundary changes as required by Section 54900 et seq. of the Government Code.

The enclosed Resolutions have been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the California Environmental Quality Act pursuant to Section 21080(b)(8) of the Public Resources Code and Class 1(x)27 of the County's Environmental Document Reporting Procedures and Guidelines approved by your Board.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

At such time as these recommendations may be adopted, please return one adopted copy of this letter and the signed Resolution to Public Works. Also, please forward one adopted copy of the letter and Resolution to the County Assessor, Ownership Services Section (Attention Soledad Osborne); and to the Auditor-Controller, Tax Section (Attention Kelvin Aikens).

Respectfully submitted,

COUNTY OF LOS ANGELES DEPARTMENT OF PUBLIC WORKS ENGINEER'S REPORT PETITION NO. 161-1103

The Board of Supervisors of the County of Los Angeles previously adopted a Resolution Initiating Proceedings for the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, pursuant to the California Streets and Highways Code Landscaping and Lighting Act of 1972, for the purpose of providing for the cost of installing, operating, and maintaining seven street lights on existing or new wood poles with overhead wiring within the annexed territory, as shown on the diagram, plans and specifications attached hereto. In addition, Public Works was ordered to prepare and file an Engineer's Report in accordance with Section 22565 et seq. of the Streets and Highways Code. This Report was prepared in response to that directive.

The annual operating cost of \$1,017 for the seven high pressure sodium vapor street lights (five – 9,500 lumen and two - 22,000 lumen) will be funded by County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone. An annual assessment for the operation and maintenance of the street lights of \$5 per parcel for a single-family home, with proportionately higher assessments for other land uses, will be added to the Fiscal Year 2007-08 tax bill of property owners whose parcels lie within the annexed area and parcel identification numbers are identified in Appendix A, included herein. Each year thereafter, an annual assessment for the operation and maintenance costs of the street lights, approved by the County of Los Angeles Board of Supervisors, will be added to the property tax bill.

With the passage of Proposition 218 (California Constitution, Article XIIID) by the California voters in November 1996, the levying of an assessment is now subject to certain provisions under Article XIIID of the California Constitution. This Report conforms with the applicable provisions of Proposition 218.

County Lighting Maintenance District 1687 is an established Street Lighting District and was fully funded from ad valorem property taxes prior to the passage of State Constitutional Amendment XIIIA, which limited the maximum amount of ad valorem tax on real property. The ad valorem property taxes received under the guidelines established by the State Legislature subsequent to the passage of this amendment were not sufficient to pay the cost of street lighting in the District. Therefore, County Lighting District LLA-1 was formed under the Landscaping and Lighting Act of 1972 to provide supplemental funding.

The Landscaping and Lighting Act of 1972 provides for the assessment of street lighting costs against the benefitted property within the lighting district in proportion to the benefits received. A method of distributing the street lighting costs on the basis of land

use and utilizing land-use data compiled by the County Assessor was approved by the Board of Supervisors on May 22, 1979, and amended on July 22, 1997, to include government-owned or leased parcels. This report showing the approved method and the assessment units to be assessed on the various types of lots and parcels based on land usage is on file in the office of the Board of Supervisors and is made a part hereof by reference. The Fiscal Year 2006-07 Annual Engineer's Report, which lists the base-rate assessment for all zones within County Lighting District LLA-1 and the total assessment amount to be collected from benefitted parcels in each zone based on land use, is on file in the office of the Board of Supervisors and is made a part hereof by reference.

The parcels of real properties affected are shown in Appendix A. The parcels are more particularly described in a map prepared in accordance with Section 327 of the Revenue and Taxation Code, which is on file in the office of the County Assessor and is made a part hereof by reference.

We believe that it would be in the public interest to install seven street lights in the designated area, as requested by the signers of Petition No. 161-1103, and to provide for their operation and maintenance.

WHEREAS, the Board of Supervisors of the County of Los Angeles previously approved and filed Petition No. 161-1103 requesting annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone to provide for the installation, operation, and maintenance of a street lighting system in County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone; and

WHEREAS, the Board of Supervisors on _______, has approved the Engineer's Report for said territory, which contains a description of the improvements, estimated operating costs, diagram of the territory to be annexed, and recommended assessments as required by law.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Supervisors of the County of Los Angeles, State of California, that:

SECTION 1. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the benefitted territory hereinafter described, all of which territory lies in the County of Los Angeles, be annexed to County Lighting Maintenance District 1687, pursuant to Section 5837 et seq. of the Streets and Highways Code of the State of California.

SECTION 2. The public interest and convenience require, and it is the intention of the Board of Supervisors, to order said benefitted territory be annexed to County Lighting District LLA-1, Unincorporated Zone, pursuant to Section 22605 et seq. of the Streets and Highways Code of the State of California.

SECTION 3. The public interest and convenience require, and it is the intention of the Board of Supervisors to order, the expense necessary for the operation, maintenance, repairs, replacement, electric current, care, supervision, and all other items necessary for the proper operation and maintenance of a street lighting system consisting of seven street lights on new or existing wood poles with overhead wiring for Petition No. 161-1103, shall be assessed in Fiscal Year 2007-08 upon the lot or parcel of land lying within the annexed territory in proportion to the estimated benefit received from the proposed street lighting improvements and which should be assessed to pay the expenses of the operation and maintenance of said improvements. An Annual

Engineer's Report, approved by your Board each fiscal year, establishes the annual base-rate assessment for all zones within County Lighting District LLA-1. For Fiscal Year 2007-08, the annual base-rate assessment for County Lighting District LLA-1, Unincorporated Zone is estimated to be \$5 for a single-family residence, with proportionately higher assessment rates for other land uses. This annual assessment for the operation and maintenance of street lights will be added to the property tax bill of benefitted parcels within the boundary of County Lighting District LLA-1, Unincorporated Zone. Each year thereafter, an assessment for operation and maintenance costs, approved by the Board, will be added to the property tax bill.

SECTION 4. That the boundary of the territory proposed to be so annexed consists of the area shown on the enclosed map.

SECTION 5. The proposed assessment is subject to majority approval of the property owners. A ballot and public hearing notice will be sent to all property owners within the area proposed for annexation at least 45 days in advance of the public hearing, in the form and manner specified by Section 53753 of the Government Code. The ballots will be weighted by the amount of assessment to be paid by each property owner. The territory will not be annexed, and the proposed assessment will be abandoned if the weighted majority of ballots submitted are opposed to the assessment.

SECTION 6. That the amounts to be assessed for the expense of such installation, operation, and maintenance of the work or improvements described above shall be levied and collected in the same manner and by the same officers as taxes for County purposes are levied and collected.

SECTION 7. Proceedings for the levying of assessments shall be taken under and in accordance with the Landscaping and Lighting Act of 1972 (Division 15, Part 2, of the Streets and Highways Code) and Article XIIID of the California Constitution.

SECTION 8. A public hearing will be held by the Board of Supervisors to consider the annexation of territory to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone, and the levying of assessments within the territory proposed to be annexed. Said hearing will be held on Tuesday, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

SECTION 9. The Executive Officer of the Board of Supervisors shall give notice of the public hearing, in the form and manner specified in Section 5838 of the Streets and Highways Code, to be published once a week for two successive weeks in the ______, a newspaper published and circulated in the County of Los Angeles, which is hereby designated for that purpose. NOTICE OF PUBLIC HEARING OF THE BOARD OF SUPERVISORS TO CONSIDER ANNEXATION OF TERRITORY TO COUNTY LIGHTING MAINTENANCE DISTRICT 1687 AND COUNTY LIGHTING DISTRICT LLA-1, UNINCORPORATED ZONE PETITION NO. 161-1103

Notice is hereby given that a public hearing will be held by the Board of Supervisors to consider the annexation of territory known as Petition No. 161-1103 to County Lighting Maintenance District 1687 and County Lighting District LLA-1, Unincorporated Zone (Lighting Districts). Said hearing will be held on Tuesday, _______, at 9:30 a.m., in the Hearing Room of the Board of Supervisors, Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

This territory, whose street location is described below, is proposed for annexation to the Lighting Districts and for the collection of assessment revenues to pay for the operation and maintenance. The proposed annual street lighting assessment is \$5 for a single-family home, with proportionately higher rates for other land uses.

Petition No. 161-1103: Queenside Drive west of Irwindale Avenue in the Irwindale area.

The levying of a new assessment is now subject to property owner approval with the passage of Proposition 218 (approved by California voters in November 1996) which provides for property owners to determine by ballot whether or not they approve of the proposed assessment for this purpose. As required under Proposition 218, assessment ballots will be mailed to all property owners of parcels within the territory proposed for annexation at least 45 days in advance of the public hearing. All assessment ballots must be received by the County before the conclusion of the public hearing. Ballots will be tabulated at the conclusion of the public hearing. The assessment will not be levied and the territory will not be annexed if the weighted majority of the returned ballots submitted are opposed to the increase. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner. The ballots are weighted according to the amount of the street lighting assessment paid by each property owner.

In addition to returning the assessment ballots, property owners may file with the Executive Officer of the Board of Supervisors a written protest against the proposed annexation at anytime prior to the conclusion of the public hearing. The written protest must identify the property owned and must state all grounds for objection. The protest

may be withdrawn in writing prior to the conclusion of the public hearing. A majority protest will cause abandonment of the proposed annexation. If you wish to file a written protest, you may address it in writing to:

Executive Officer of the Board of Supervisors of the County of Los Angeles Kenneth Hahn Hall of Administration, Room 383B 500 West Temple Street Los Angeles, CA 90012

The Engineer's Report for Petition No. 161-1103 is on file and available for public review in the Executive Office of the Board of Supervisors, Room 383B, Kenneth Hahn Hall of Administration, 500 West Temple Street (corner of Temple Street at Grand Avenue), Los Angeles, California 90012.

If you have any comments about the proposed annexation, you may address them in writing to the County of Los Angeles Department of Public Works, Attention Mr. Joaquin Herrera, Traffic and Lighting Division, P.O.
